Dear Sisters in Christ,

The Oregon District LWML Special Gifts Committee is delighted to send this information to you and your societies once again. The Oregon District LWML Executive Committee voted that we offer two (2) scholarships **for the coming school year 2017-2018**. To date, thirteen (13) scholarships have been awarded beginning in 2008.

Any active female member of a congregation of the Northwest District of the Lutheran Church-Missouri Synod who lives within the geographical boundary of the Oregon District LWML and is preparing for, or is currently employed in church work in the LCMS is eligible to apply for a scholarship. Church work can be defined as a Deaconess, Teacher, Teaching Assistant, DCE, Preschool Employee, Musician, Office Personnel, AV Technician, etc. The scholarship is to be used for ongoing education. Please inform the women of your congregation about this scholarship.

All applications must be submitted **by February 1, 2018** for this year's scholarship. We will award **one (1) \$500.00** Scholarship by the end of **March, 2018**. All applicants will be notified of the results of the committee's decision. **Guidelines and application forms** are available on the **Oregon District LWML Website** – www.orlwml.org. Submit the Scholarship Application to: Donna Boyd, Special Gifts Fund Chairman, 3801 NE 304th Ct., Camas, WA 98607. For additional information or questions, you may contact Donna Boyd by e-mail at wcb3801@comcast.net or telephone at 360-834-5296.

We encourage you to consider the Special Gifts Fund when making Memorial considerations, for birthdays, anniversaries, to honor someone, or other special occasions. Through your monetary gifts of love, we can increase our fund and hopefully offer additional scholarships and/or increase the amount of the scholarships. **NO MITE** money is used for this project.

Serving in **HIS** love and **Joy**,
